Twenty years from now you will be more disappointed
by the things you didn't do than by the ones you did do.

So throw off the bowlines.
Sail away from the safe harbor.
Catch the trade winds in your sails.

Explore. Dream. Discover.

The Experience

Cruising Croatia is not just about the ships and the facilities onboard, it is about making the most memorable journey in one of the world's most popular destinations with amazing experiences.

Katarina Line vessels cruise during the day providing spectacular views of Croatian rivieras, hilly islands and unspoiled nature. Dive in crystal clear sea during daily swimming stops at secluded bays or at world famous beaches and dock in historical towns just waiting to be discovered. Unlike bigger cruise liners that offer limited time in the ports, Katarina Line vessels dock right in the center of the even smallest places enabling the guests to come on or off the ship at their own will and explore UNESCO protected sites, narrow historical streets or major tourist centers.

Feel completely at ease and settle in on a journey of a lifetime as you cruise to discover the timeless wonders Croatia has to offer.
